STEM Communication Fundamentals Workshop

Do you want to communicate your research more effectively?

Announcing the 2018 RELATE Intensive Summer Workshop!

☞ 4:30 - 7:00pm on Tuesdays, June 5 through August 14
☞ Designed for STEM graduate students and postdocs
☞ Learn effective lay-audience communication fundamentals, such as knowing your audience and telling a story with your research
☞ Practice your skills with public engagement and outreach opportunities
